

An Initiative by ExRxIndia

Water flows from a well in the sand in proportion to the depth to which it is dug, and knowledge flows from a man in proportion to his learning.

This is Presented to

for presenting an e-Poster in the post International E-Conference QUESTCON program, titled,

Effect of Primal Reflex Release Technique on Electrophysiological Activity of Respiratory Muscles in Chronic Neck Pain

Patients: A Pilot Study"

held on 01 August 2021, Organised by Sree Balaji College of Physiotherapy-BIHER & Exercise Testing & Prescription (exrxindia.org)

Principal
Sree Balaji College of Physiotherapy

Dr. S. S. Subramanian BIHER (Bharath University) Chennai, INDIA R. Fry benning
